

Sell on Facebook Marketplace

Facebook. (2023). How do I edit or delete my listing on Facebook Marketplace? Retrieved from: https://www.facebook.com/help/514314075439323?helpref=faq_content.

To sell an item on Marketplace:

1. Tap  in the top right of Facebook.
2. Tap  Marketplace.
3. Tap **Sell** at the top.
4. Add a title and price, and select a category.
5. Tap **Add photos** to include photos from your phone or take a new photo.
6. Tap **Publish** to publish your Marketplace listing.

You can edit or delete a listing on Marketplace if:

- The listing is single-quantity, available and in stock.
- The listing is multi-quantity and has never received an order.
- The listing isn't waiting to be accepted or declined.
- A label hasn't been generated for the listing.

You can't edit or delete a listing on Marketplace if:

- An order for the listing is pending or waiting to be accepted or declined.
- A label has been generated for the listing.
- The listing has sold.

You can filter your listings to see the status of your items:

1. From your Feed, click  Marketplace.
2. Click **Create new listing**.
3. Click **Your listings**.
4. Filter by **Status**.

Edit Listing

How do I edit the details of my Marketplace listing? 

1. From your Feed, click  Marketplace.
2. Click **Selling** in the left menu.
3. Click **Your listings**.
4. Click **⋮** on the listing you want to edit.
5. Click **Edit listing**.
6. Edit your item's details and then click **Update**.

Note: You do not need to edit your listing to show the number of items you have left in a multi-quantity listing. If there are 10 items or less left of a multi-quantity listing, the listing will automatically show the buyer how many items are left.

Delete Listing

How do I delete my Marketplace listing? ▲

1. From your Feed, click  Marketplace.
2. Click **Selling** in the left menu.
3. Click **Your listings**.
4. Click  on the listing you want to delete.
5. Click **Delete**, then click **Delete** again.

Note: If you've enabled the **Checkout with shipping** option, please keep in mind that listings with active orders can't be edited or deleted. If the listing has an order that's pending, waiting to be accepted or declined, or has been shipped or sold, it can't be edited or deleted.
