How to renew a license

ALERT: This page was updated for COVID-19.

Important: If your license expires from March 1st, 2020 through May 31st, 2021, you can **renew online right now** by self-certifying that your vision is acceptable. You must submit a vision test to the DMV within one year of your renewal. If you do not, DMV will take action against your license. See how

4. See instructions

Before you begin, you will need to pass an eye test by an approved provider

- [find an approved provider near you](#)

or

- have a medical professional complete a [Vision Test Report \(PDF\)](#) (MV-619) and then enter the report information in the online transaction
 - you do not need to mail or bring us the report if you renew online
 - approved professionals include physician, physician's assistant, ophthalmologist, optometrist, optician, registered nurse, or nurse professional

If your license expired from March 1st, 2020 through May 31st, 2021, you can renew online now by self-certifying that your vision is acceptable. However, you must have your vision tested and submit your results to the DMV within one year of the date of your license renewal. You can submit these results through an [approved vision test provider](#), by sending a [Vision Test Report](#) (MV-619) [by mail or electronically](#), or by getting your eyes tested at a local DMV office (available Spring, 2021).
