## Technology Made Easy!

The Nioga Mobile Tech van is on the road at sites throughout Niagara, Orleans, and Genesee Counties. We provide computer training, job information, laptops and Internet access.

Digital Literacy has shifted from simply providing access to computers and the Internet to actually explaining how devices work. Now, more than ever, people of all ages are finding they need to continue to learn and upgrade their technology skills. Nioga Mobile Tech can help!

## Call your library for class dates and times.

*Knowledge Within Reach*

*The Nioga Library System, sponsor of Mobile Tech, continues to fund this valuable outreach program to our libraries and partners. We are the only continuously operating mobile unit in New York State.*

# Computer & Technology Classes

## NIOGA Mobile Tech

*Libraries lead the way!*

Technology classes for you at no charge - at your library!

[www.NiogaMobile.Tech](http://www.NiogaMobile.Tech)

*Sponsored by the Nioga Library System*

## COMPUTER TRAINING - JOB INFORMATION - COMPUTER ACCESS

Increase your knowledge, skills, and use of computers, the Internet, and software programs at one of our hands-on classes at your library! There is no charge for classes with Nioga Mobile Tech – view the schedule at your library or at [www.niogamobile.tech](http://www.niogamobile.tech).

Our class list includes:

- Computer Basics
- Internet Basics
- Email – Start to Finish
- Microsoft Excel
- Facebook
- Flashdrives & File Management
- Gaga for Google: Cut, Copy, Paste
- Introduction to LinkedIn
- Skills for Job Seekers
- Manage Your Digital Life
- PowerPoint Basics
- Publisher Basics
- Windows 10
- Microsoft Word Basics: Cut, Copy, Paste

**AND we have online and on-demand classes at [Youtube.com/niogamobile](https://www.youtube.com/niogamobile).**

## *Libraries lead the way!*

The Nioga Mobile Tech van travels to member libraries and partner agencies to teach. You can come to your own library and learn in a stress-free environment. Our members like this because we work together to best serve the public.

### **Nioga Mobile Tech Brings You:**

COMPUTER LAB: A van with 10 laptop computers, portable broadband Internet, and a trainer who travels from place to place within our three counties using existing meeting rooms as digital literacy labs.

PROGRAMS: Instructional classes and workshops by Nioga Mobile Tech trainers bring you “up to speed”. We also participate at local job fairs, festivals, and community events. Nioga Tech workshops at locations throughout Niagara, Orleans and Genesee counties are provided at no charge.

PARTNERS: Our partners are the 22 Nioga member libraries, human services agencies within our three counties, local colleges, and universities.

## Call Your Library NOW to Get Started!

# NIOGA Mobile Tech

We have helped thousands of residents of all ages to learn how to use technology.

We understand that it can be intimidating, so we have Sara, our E-mobile Trainer, to make it a fun and educational experience.

## *Librarians can book sessions for you!*

## Get answers for your technology questions!
